May 17, 2010

Hi my name is Lisa V. and I am an addict. My clean date is September 29, 2009. I have a sponsor and am actively working the twelve steps. I am daily progressing and using the twelve steps, traditions, and concepts in my daily life. Within my first sixty days I joined a home group and have become an active member within that group. At sixty days clean I started opening one meeting a week for my home group and have done so over the last five months. I would like to be considered for Area Secretary of Narcotics Anonymous. Thank you for taking the time to consider me and if allowed I know that I will continue to grow and succeed in my recovery.

In Loving Service,

Lisa V.
