July 2003

Hoping that we receive some dry days ahead, Activities has scheduled a Canoe Trip on the 12th of July. If you wish to come, all you need is \$15, lunch or snacks and sodas for yourself or family. It is planned for an 10am departure from Bob's Canoe's in Milton. Car pooling is available, arrive at 10E. Chase street at 845am that morning if you wish to do so.

Another scheduled event is being put on by the Soundside Group in Ft. Walton Beach. On July 26th at Liza Jackson Park there will be a cook-out/speaker meeting from 3pm-9:30pm.

A New Beginning group which meets on Wednesday's at 5:30pm is in need of support. So take your experience, strength and hope to some addicts who need it and try a new meeting for a change!
