All reports were read and accepted.

Area Balance: \$1229.24 under prudent reserve.

OPEN FORUM

Bev let us know that the building we used in Navarre for ASC is available for us to continue using. Lydia did share with us that it is policy to donate \$10 to the facility for the use of the building. Angie shared that there are phone line problems, that the H&I meeting in FWB is in need of support. During this meeting it was discussed how greatly some of our area's meetings need support. Such as, Crestview, FWB, detox at Lakeview. Mark apologized for not being in attendance due to health issues. Also he brought copies of the Sponsorship handbook to be carried back to the home groups for a vote. Also when voting when people (GSR's) abstain from a vote

the vote doesn't count. Also the NEALA is planning a Service Weekend for the weekend following Thanksgiving in Gunnersville, AL, see Mark W. for more information.
