Jacqui P. let us know that she "oopsed" on this months print of schedule, that no changes had been made. Lydia reminded us all of the "Talent Show/ White Elephant auction" on 4/3, which I attended and had a blast. Keith G. from Dopeless Hope Addicts also handed out the flyers for their 5 year celebration of Recovery for 4/24. Mark W. reminded us that this was the ASC before RSC, which is to be our donation time.

Second by: Back to Life

To amend motion 4 (on voted items to be taken back to Region), to not eliminate change/revise any of the current personal stories in the Basic Text-but may add new stories.

Second by: Northside Connection

Can Convention Committee use the storage unit to store the supplies the have.

Intent: To store supplies in one location, instead of multiple persons homes.

During the meeting we also voted on 19 items, which was to be taken back to the Region, then further carried on to the WSC. For a copy of how our Area voted on the individual items you may see Erica S., and I would be glad to get you one.

In this months minutes you will find a letter of willingness from Paul M. for the Vice Chair position which has been vacant for some time. He was voted in, and will be acting as Vice Chair beginning in April. Please remember to share your gratitude with Paul when you see him! Thanks Paul!
