Dear Stanley,

~~Dear Stanley,~~ I have used the R.S.C. since
 my last report at our last month when I
 was working to report. I do have the last
 ABC minutes with me if anyone would
 like to see them. I want to give
 credit everyone for getting me since we
 get some positions. As we have positions
 I feel I have had a great learning experience

Dear NA Family,

Activities met Saturday, May 14th at 10 E. Chase St. Activities has a balance of \$620.30.

It is at this time, I'm sad to say, I am withdrawing from my election to a second year as Activities chair. I have realized my plate has become full. I will continue to serve through my home group and sponsorship. I am sorry for leaving the Area with yet another open position, but I feel leaving a month before the term was to begin is better than leaving two or three months into it.

Regarding the 'Spring Fling Thing', it will still go on. As discussed at the Activities meeting and pending a HOWL chair being voted in, we would like to offer it to the HOWL to be used as a fundraiser. Others and I have agreed to still help put this on. In the event that the HOWL committee doesn't want it, those who have been involved with Activities and myself will still make sure this activity goes on. We still have the park reserved and we lost no money due to the bad weather, also the speakers are willing to return.

In regards to the Activities committee balance, we are wishing to make a motion that in the event a HOWL committee is established that Activities may donate the balance to the HOWL.

Thanks for allowing me to serve.

Erica S.
